PRINCIPAL'S REPORT

Beenleigh High students performed in a number of activities over the holiday period: our cattle show team participated in the Mudgeeraba Show; the rugby league boys were runners up in the QSSRL Country Cup; Josh Willis (year 12) performed at Musically Outstanding Students (MOST) with legendary Australian trumpeter James Morrison, and our dancers performed at the Hip Hop competition. All students represented the school well and I thank the teachers who provided these opportunities.

On Tuesday at parade we recognized NAIDOC Week with a performance by our dance troupe Mibunn Jinndi. The school was captivated by both our dancers and the ancient sounds of the didgeridoo played expertly by our cultural support teacher. Thank you to all students involved and to the work of Ms Allen and Mr Stewart with our kids.

The 50th Anniversary committee meets next week in the E learning Centre (old Library). All are welcome to attend as we progress to the big weekend which is on the 18th and 19th October. Please contact the school for details.

I have been reviewing student performance for the first semester and was satisfied with the performance of many of our students. An area that all students can improve upon is the completion of all assignments to the best of their ability. Some students are handing in their assignment with a "that'll do" attitude. Another 10 minutes with attention to detail, or even a parent to read over, can make a great difference. All teachers accept and encourage students to submit drafts, so please encourage your child to do complete them. Parent Teacher interviews were held last Tuesday and I thank all the parents who came on the night. If you missed an interview please contact the school to organize an interview time with the teachers required.

We recently conducted interviews to select a year 11 student to experience the Young Endeavour Program. A number of students applied, however our congratulations go to Rachele Maas, who was the successful applicant. See inside for details.

Can I ask parents to speak with their children about road safety. Some students are showing disregard for basic road rules and this can only lead to problems in future. Student need to obey directions around the school especially at peak hour. We have had some reports about foolish behaviour in, on and around the roads and I would again encourage you to speak to your child about basic safety. Finally Year 12 students are reminded to finalise their accounts so they can participate in the end of year celebrations i.e. the formal. I have spoken to a number of students recently and advised them that fees have to be paid and now is the time to sort this out. Please see me if there are any issues around this.

Yours sincerely

MR MATT O'HANLON

BEENLEIGH STATE HIGH SCHOOL RESPONSIBLE ELECTRONICA POLICY SUMMARY

The Use of Personal Technology Devices at School

This policy *summary* reflects the importance the school places on students displaying courtesy, consideration and respect for others whenever they are using personal technology devices.

- The school does not accept responsibility or liability for damaged or stolen electronica such as mobile phones and other personal technology devices (e.g. iPods).
- Personal technologies must be turned off and out of sight during assemblies or classes.
- Personal technology should only be used in a classroom for learning under the explicit instruction and direction of a teacher.
- Personal technology devices may be used during morning tea and lunch breaks and before and after school.
- Teachers will remove electronica from students if they are not being used appropriately and they will be returned to students within a reasonable time frame.
- Recording of behaviours or incidents such as fighting, pranks or bullying on personal electronica is not permitted or legal. Recording of such incidences is an invasion of personal privacy and will result in disciplinary action.
- Devices containing evidence of criminal offences may be reported to the police. In the event of this occurring, police may take possession of such devices with students/parents advised to contact Queensland Police Service directly.
- The school takes no responsibility for, and has no jurisdiction over, personal social network content (e.g. Facebook, Twitter). Such matters should be referred to the Network Site itself (e.g. Facebook) or the Queensland Police Service.

PARENTS/CARERS NOTICE

- Parents/Carers please be aware that if your child is absent for any reason you must phone the absentee line on 34423760. If for some reasons you haven't contacted the absentee line, a SMS message is deployed to the 1st contact person from student's data - please reply. We attempt to do our very best in communicating with the information we have.
- Many students are using their mobile phones to ring parents to get permission to leave. Unless someone from the office has actually spoken to the parent/carer, then the student will not be signed out.
- Please understand that during class time it is very difficult to get messages through to students. Please keep messages to emergencies only. If you need to drop off lunches, money or cooking etc, office staff will endeavour to locate your child. However sometimes with outside school/classroom activities, this is not always possible.
- If you wish your child to be signed out, please write a note with student's name, date, time out and parent's or carer's signature which is to be handed into the office in the morning so passes can be arranged. Please be aware of school break times.
- Students can be contacted on their mobiles only during the lunch times (listed below).

A reminder that mobile phones must be turned off during class times.

SCHOOLKIDS BONUS

We contacted you at the beginning of the year to let the families at your school know about the introduction of the Schoolkids Bonus, a twice yearly payment to help lighten the load of school costs. The first installment was paid in January.

The Schoolkids Bonus will be paid in July and that eligible families who have not updated their child's education details with Centrelink have until 29 June to do so to ensure they receive the correct payment in July. Eligible families who have updated their child's education details with Centrelink do not have to do anything.

For our school, this means eligible families will have extra money on hand to help with mid-year and ongoing education expenses, like school excursions, winter uniforms, new stationery and other school supplies.

You can download information at australia.gov.au/schoolkidsbonus Hardcopies of the brochure and factsheet are also available (free of charge) and can be ordered by contacting us at schoolkidsbonus@fahcsia.gov.au If you have any questions or require any further information please feel free to contact us on schoolkidsbonus@fahcsia.gov.au

BEENLEIGH SHS RUGBY LEAGUE

Broncos Challenge Round 6 - Opens

Beenleigh 8 v 38 St Peter Claver College

The Beenleigh Open Rugby league team had their heaviest defeat of the season on Tuesday. They were dominated by last year's Confraternity Cup Runners-up, St Peter Claver College. The boys from Ipswich showed a higher level of professionalism and organisation and demonstrated why they are contenders to win the Broncos Challenge this year.

Beenleigh kicked off and St Peter's completed a solid first set to force a restart. In the ensuing set, St Peter's spread the ball right to find Beenleigh's left edge wanting. Another kick-off and another good St Peter's set. A Beenleigh error gave the ball back to St Peter's and they outnumbered Beenleigh's right side. Beenleigh kept handing the ball back to St Peter's and they were close to the Beenleigh line again. A quick play the ball saw St Peter's stroll over under the posts. The next St Peter's try came from a kick on the forth tackle which found Trent Welsh out of position. St Peter's regathered and scored their forth try to lead 18-0. Beenleigh then held on to the ball and on the back of a few penalties, they were attacking the line. Beenleigh's shape was chaotic but some smart play around the ruck led to Shaun Eastwood-Cole crashing over. St Peter's kept the pressure on and scored 2 more tries to lead 32-4 at halftime.

Beenleigh rallied in the second half to show some of the starch from previous games. A chip kick to the corner was spectacularly regathered and put over the line from Trent Welsh. Evander Kaleta then injected himself into the game and made a bustling run down the right edge. Jerome Diggler burst down the left edge and Beenleigh were firing. Jerome received the ball meters out, charged over only to have the ball knocked out when trying to score a try. After another St Peter's try, Beenleigh kicked-off and tackled with vigour. Some pushing and shoving resulted in a punch being thrown by the St Peter's fullback. Unfortunately, a spectator ran onto the field and game was abandoned due to fears for player safety. St Peter's finished 38-8 victors and were by far the better team. Beenleigh's second half was a lot stronger and they showed they can match it with the top teams.

INDIGENOUS NEWS - MONTEL BUTTERWORTH

Beenleigh State High School Indigenous student Montel Butterworth is a member of the Nunukul Yuggera Dance Troupe and has recently performed at the Rainforest World Music Festival in Kuching, Malaysia.

The Nunukul Yuggera Dance Troupe is a local Indigenous Dance Troupe from the Brisbane and Stradbroke areas. The dance troupe have travelled and performed in Malaysia from the 26 June and 1 July.

We would like to congratulate Montel on this significant achievement and hope the cultural and international travelling experience was a highlight for Montel.

BEENLEIGH SHS GIRLS RUGBY LEAGUE

On Wednesday 12th June, 35 super keen Beenleigh SHS Girl's Rugby League players headed to the Gold Coast District Tournament held at Merrimac SHS. Students played four games each against numerous teams including Keebra Park SHS, Trinity College, Palm Beach-Currumbin SHS, Merrimac SHS and Tugun. Competition was tough but the girls held their heads high and made a huge improvement from game one to game four. Many of our year 8 girls had never played before. They faced a storm halfway through games so all the girls went undercover and an impromptu dance-off between schools, with student DJ's, kept smiles on their faces. With a couple of injuries, students have lots to go away and practice before their next competition against Flagstone Community College in Term 3

YOUNG ENDEAVOUR SCHOLARSHIP

The Young Endeavour Scheme runs in conjunction with the Royal Australian Navy and provides young Australians aged 16-23 with a unique, challenging and inspirational experience at sea aboard the national sail training ship. For over twenty years, the Young Endeavour Youth Scheme has been recognised internationally as a leading youth development program. The voyages increase self-awareness, develop teamwork and leadership skills and create a strong sense of community responsibility amongst members of the youth crew.

Applications were taken from year 11 students who met the criteria. Several students were shortlisted and interviews were carried out with the Principal, Mr O'Hanlon and the Year 11 Engagement Coordinator, Ms Jolly to make the tough decision of the deserving recipient. The scholarship was awarded to **Rachelle Maas** to participate in the Young Endeavour Scheme. Rachelle will travel to Sydney on 30th August and board the vessel to travel to Melbourne for an 11-day voyage. This opportunity will allow Rachelle to build her leadership skills, be challenged in many circumstances and make new friends.

The crew will have to sail the ship independently, cook, clean, participate in night watch duty, sleep in hammocks, and get up every morning at 6am for a swim around the boat. We look forward to Rachele's report back to the school about her experience and wish her a fantastic time aboard the ship! From 2014 onwards we are looking for a community groups/person to help fund this experience. Contact Ms Jolly if you would like to help support this fantastic experience.

SCIENCE NEWS - BEENLEIGH ROBOTICS CLUB

Beenleigh Robotics Club Win Medals at Robocup

A group of year 8 students recently won Silver and Bronze medals at the Brisbane Robocup Junior competition. The students entered three teams into the Dance category of the competition, which involved programming Lego robots to move in time with a song chosen by them. The students had been working on robot construction and programming during lunch breaks throughout terms 1 and 2. The focus of RoboCup Junior is the development of teamwork skills as well as technical skills in an environment of participation, fun and excitement.

Congratulations to all students who participated on the day. A silver medal went to Alexander Shoemith for programming his robot to dance in time with a Megadeath song, (accompanied by Alex on guitar). Bronze medals went to Alex Roughton and Robert Locksley with a Green Day song. Scott McLeish, Liam Bertolli and Josh Paine programmed their robot to dance in time with the Pokemon song.

Students are now working towards competing in the Queensland Robocup Championship in August. Any students who are interested in taking part please come and see Mr Meagher or come to the science block first break Tuesday and Thursday.

Mr Meagher – Science Head of Department

SPECIAL EDUCATION NEWS

Jack English

Jack participated at the Regional Athletic meeting under the AWD category (Athlete with a disability). He was placed first in the cross country race in the age 15 group. He has now been selected to represent our school at the South Coast Athletic meeting to be held at Bundaberg on the weekend of 21-22 July 2013. Jack has been a keen athlete for many years and has won a number of honours.

Marie Gabriel

Marie participated at the same competition and was placed first in the 13 age group for girls (AWD). Her participation was fully sponsored by the SEP to give a talented athlete the opportunity to compete and realise her potential in sport. Marie has been invited to compete in her age division this weekend at Bundaberg.

Our school is proud to support and encourage these talented youngsters and wish both these fine young athletes strength, speed, stamina and determination to continue to achieve accolades in sport.

MUSIC NEWS - WORLD'S BIGGEST ORCHESTRA & JAMES MORRISON WORKSHOP

Recently, a handful of our musicians attended a workshop run by the legendary Trumpet player, James Morrison. This event was in preparation for the World's Biggest Orchestra Guinness World Record attempt coming up in July, which James Morrison is leading as part of the Queensland Music Festival this year. Our

students were joined by 100 other Logan students, who together formed quite a large (and very good sounding!) orchestra on the day.

The World's Biggest Orchestra challenge will be attempted on Saturday, July 13 at Suncorp Stadium. To achieve the record, numbers need to reach 6, 454 musicians. The current record is held by Canada. We are really hoping we can help break the record on the day. James Morrison will lead the enormous orchestra in a stirring medley of much-loved pieces arranged specifically for this incredibly exciting event. To purchase audience tickets, (only \$22) or for more information, head to the website: <http://www.worldsbiggestorchestra.com/public/public/?id=112>

KOSTYA DAVIS - BEENLEIGH SHS HOCKEY REP

Beenleigh SHS Kostya Davis at the age of 16 has been selected once again to represent in the Under 19 South Coast Hockey team which recently played in the State Championships. The state championships were held last term and the team coming fourth. This wasn't the first time Kostya has represented the South Coast team having been selected last year as well. Kostya, trains on the Gold Coast and is sponsored by f-h-e.com.au. We

would like to congratulate Kostya for his great achievements and wish him all the very best in the future pursuits in Hockey.

POSITIVE BEHAVIOUR FOR LEARNING (PBL)

HEALTH NURSE NEWS

Anxiety:

Anxiety is a normal feeling that people have when they are faced with something that could be dangerous or difficult, embarrassing or stressful. Exams, job interviews, talking in front of a group, or learning a new skill (such as driving) all make people feel anxious. What are the signs of anxiousness? Your pulse rate might go up, you may have a disturbing feeling in your tummy ('butterflies' in the tummy) and you could feel sweaty.

Anxiety disorders:

Usually when the task or event that is causing the stress is over, the feelings of anxiety go away. When these feelings go on and on, and start to get in the way of a normal life, it may be a symptom of an anxiety disorder. The symptoms that go with high levels of anxiety fit into several different patterns or 'types' of anxiety disorder. Working out if you have one of the types of disorder can help you then work out the most useful way of trying to manage the anxiety.

Generalised Anxiety disorder:

The main symptom of this disorder is excessive and persistent worry, causing feelings of being keyed up all the time, being easily tired, having difficulty concentrating, irritability, muscle tension and sleep problems. Young people may worry about sport or school performance, including exams, so much that they are not able to do well.

Panic disorder:

People with this pattern of feelings experience great anxiety (panic) in situations where most people would not be afraid, such as being in a crowd or on an escalator. They can have many physical symptoms such as:

- Feeling faint or dizzy
- Blushing
- Having a rapid heart rate
- Having difficulty breathing
- Sweating
- Abdominal pain (and diarrhoea)
- Chest pain
- Fear that the attack will lead to them dying or totally losing control

When the panic has gone, there is an ongoing fear that the panic will come back.

Fear of a panic attack can lead them to stop doing things that might trigger a panic attack, such as going outside or going to certain places where they have had a panic attack.

Young people who get panic attacks may have had trouble with fear when they were away from their parents when they were younger (separation anxiety).
