PRINCIPAL'S REPORT

Tonight a group of about 100 students who have improved their performance in the first semester are going to the Broncos v Parramatta Eels match with me. Each year the Broncos support us with this excellent night and the students really enjoy the evening. Thank you Brisbane Broncos.

Gavin Skinner an ex-student of the school, is the male half of the dance duo – ‘Soul Mystique’ who performed well on Australia’s ‘Got Talent’ last year. He has visited the school and confirmed the duo will perform at the Anniversary Celebration on the 18th October. Our appreciation goes to Gavin.

Last Tuesday week we hosted a subject selection and information evening. During this evening there were presentations on subject selection for students in year 10. If you were unable to attend and would like some further information please contact the school. Thank you to all the staff, who assisted with this evening.

A number of students from the Cattle Show Team were at the Ekka this week. Our students benefit from this program and enjoyed their week at the show working with various cattle studs from the district. The Cattle Show Team students enjoy this program and I thank Mr Nowlan and his team for their work this area.

Mr Bartlett and Mr Howe will be starting to visit primary schools over the next few weeks with staff and a group of students to talk with the Year 7s going into Year 8. If you need any more information please phone the school.

Our senior students will complete the QCS test in just over a fortnight and I wish all those who complete it good luck. Remember the best advice for students now is to be well rested and in a good frame of mind. Students completed a practice test on Wednesday.

Our P & C and 50th Year Anniversary meetings are both being held on Monday 18 October, in the e-Learning Centre, the 50th Anniversary meeting commencing at 5:30pm following on at 6.30pm with the P & C meeting. All are welcome.

All parents are reminded that the Annual Contribution Levy is well and truly due. The levy needs to be paid before students can participate in school activities like the senior formal. Please pay the levy as soon as is possible.

The school has recently completed the School Opinion Surveys (SOS). The SOS asks a range of questions about the school to parents, students, and staff. Thank you to those families who completed the survey. The information from the surveys is returned in late October and I will share it with the school community at that time.

Yours sincerely

MR MATT O'HANLON

PARENTS/CARERS NOTICE

- Parents/Carers please be aware that if your child is absent for any reason you must phone the absentee line on 34423760. If for some reasons you haven't contacted the absentee line, a SMS message is deployed to the 1st contact person from student's data - please reply. We attempt to do our very best in communicating with the information we have.
- Many students are using their mobile phones to ring parents to get permission to leave. Unless someone from the office has actually spoken to the parent/carer, then the student will not be signed out.
- Please understand that during class time it is very difficult to get messages through to students. Please keep messages to emergencies only. If you need to drop off lunches, money or cooking etc, office staff will endeavour to locate your child. However sometimes with outside school/classroom activities, this is not always possible.
- If you wish your child to be signed out, please write a note with student's name, date, time out and parent's or carer's signature which is to be handed into the office in the morning so passes can be arranged. Please be aware of school break times.

- Students can be contacted on their mobiles only during the lunch times (listed below).

A reminder that mobile phones must be turned off during class times.

SCHOOLKIDS BONUS

We contacted you at the beginning of the year to let the families at your school know about the introduction of the Schoolkids Bonus, a twice yearly payment to help lighten the load of school costs. The first installment was paid in January.

The Schoolkids Bonus will be paid in July and that eligible families who have not updated their child's education details with Centrelink have until 29 June to do so to ensure they receive the correct

payment in July. Eligible families who have updated their child's education details with Centrelink do not have to do anything.

For our school, this means eligible families will have extra money on hand to help with mid-year and ongoing education expenses, like school excursions, winter uniforms, new stationery and other school supplies.

You can download information at australia.gov.au/schoolkidsbonus Hardcopies of the brochure and factsheet are also available (free of charge) and can be ordered by contacting us at schoolkidsbonus@fahcsia.gov.au If you have any questions or require any further information please feel free to contact us on schoolkidsbonus@fahcsia.gov.au

JAPANESE VISIT & WELCOME PARADE

[CLICK HERE FOR SLIDESHOW OF PHOTOS OF JAPANESE VISIT - WELCOME PARADE](#)

20 students and 3 teachers from Ikeda JHS, Osaka, Japan, enthusiastically spent the week of 28th July – 5 August at Beenleigh SHS.

They participated in timetabled classes, cooking, Manuel Arts, sports, a welcome parade, visited the Farm and Dream World and completed collaborative activities with their student buddies throughout the week.

They really enjoyed their time here learning and experiencing Australian culture and food. Their homestay families looked after them very well and took them to see the sites of Brisbane and the Gold Coast.

A huge thank-you to all the teachers, students and families that made the visit memorable and worthwhile. Also, a big thank-you to all the teachers that assisted and supported the visit in many ways.

'FUTURES WITH FOODS' RECOGNITION

CEREMONY

Beenleigh SHS was proud to be involved in the 'Futures with Food' Recognition Ceremony on Thursday 1st August 2013. This was a progressive lunch, with 47 guests travelling to the three schools that are involved in the Trade Training Centres in Schools Program; to celebrate the official opening of the Trade Training Centres in the Logan district. Beenleigh SHS was in charge of the main lunch meal, and Mrs Berthier's Cert I and II Hospitality classes served up an alternate drop menu of Beef Bourguignon and Chicken Chasseur. Miss Davis's Cert II Hospitality class served the guests' meals, and beverages of lemon, lime and bitters. Senator Claire Moore, the Labor Senator for Queensland, was the VIP guest for the day, as well as industry representatives and staff from all the schools. Each guest had nothing but good comments about the day, and in particular, how well the students at Beenleigh SHS performed. Well done.

POSITIVE BEHAVIOUR FOR LEARNING (PBL)

This fortnight the PBL focus has been WE CARE ABOUT OUR OWN LEARNING. At this time of the year, students are considering their subject choices for 2014. They should be putting a great deal of thought into this process in order to make choices reflective of not only what they enjoy but also what they have the potential to succeed in.

ENGLISH THEATRE EXCURSION

Last Friday, a number of year 12 English students travelled into the QUT Theatre to watch a live performance of Mary Shelley’s classic, ‘Frankenstein’. It was a top class theatrical performance by accomplished actors and directed by Mark Kilmurry. Our students were held spellbound by the ‘emergence’ of the Monster and appreciated that the play was adapted to depict the Monster’s viewpoint. Our year 12 students will be studying this play next term, so that their attendance at this highly acclaimed performance will guarantee their full appreciation of the classic and its relevant themes.

My thanks go to Ms Cuthbert for organising this excursion and to teachers: Ms Graham, Ms Mariner and Ms Wilson for accompanying students both to and from the city venue.

CAREER HUNTERS APP

New smartphone app helps young people with jobs and career opportunities

The Career Hunter app, developed from a young person's perspective, is a simple way for young people and their parents to explore career opportunities.

Believed to be the first career exploration app of its kind, it provides information about occupations and industries, job descriptions, training and qualification requirements, and job vacancies. It makes tangible links from school to

the world of work and highlights the industries where skills are most needed.

The Department of Education, Training and Employment; The Smith Family; Regional Development, Australia; Busy at Work and Group Training Australia worked together on the development of the app — now available from the Apple app store.

HEALTH NURSE NEWS

Anxiety:

Anxiety is a normal feeling that people have when they are faced with something that could be dangerous or difficult, embarrassing or stressful. Exams, job interviews, talking in front of a group, or learning a new skill (such as driving) all make people feel anxious. What are the signs of anxiousness? Your pulse rate might go up, you may have a disturbing feeling in your tummy ('butterflies' in the tummy) and you could feel sweaty.

Anxiety disorders:

Usually when the task or event that is causing the stress is over, the feelings of anxiety go away. When these feelings go on and on, and start to get in the way of a normal life, it may be a symptom of an anxiety disorder. The symptoms that go with high levels of anxiety fit into several different patterns or 'types' of anxiety disorder. Working out if you have one of the types of disorder can help you then work out the most useful way of trying to manage the anxiety.

Generalised Anxiety disorder:

The main symptom of this disorder is excessive and persistent worry, causing feelings of being keyed up all the time, being easily tired, having difficulty concentrating, irritability, muscle tension and sleep problems. Young people may worry about sport or school performance, including exams, so much that they are not able to do well.

Panic disorder:

People with this pattern of feelings experience great anxiety (panic) in situations where most people would not be afraid, such as being in a crowd or on an escalator. They can have many physical symptoms such as:

- Feeling faint or dizzy
- Blushing
- Having a rapid heart rate
- Having difficulty breathing
- Sweating
- Abdominal pain (and diarrhoea)
- Chest pain
- Fear that the attack will lead to them dying or totally losing control

When the panic has gone, there is an ongoing fear that the panic will come back.

Fear of a panic attack can lead them to stop doing things that might trigger a panic attack, such as going outside or going to certain places where they have had a panic attack.

Young people who get panic attacks may have had trouble with fear when they were away from their parents when they were younger (separation anxiety).
