**PRINCIPAL'S REPORT**
South Coast Sports - Early results Marie Gabril wins 5 gold. More results to follow.

The 50th Anniversary Celebration is rapidly approaching on the 18th and 19th October. Get your tickets for the celebration on the Friday night by phoning the office or turn up on Saturday for the roll call at 8.45am. The Friday night celebration is by ticket only and they are selling fast.

Our Maths challenge teams starred in the local Maths Challenge. A number of schools participated and two Beenleigh teams were successful in winning their challenge. The students won the year 8 and year 9-10 challenges and also ran third in the year 9-10 event. Congratulations to the students and a big thank you to the teachers - Ms Burke and Ms Grantz - for their support in helping our students to perform so well. Well done!

We are in the middle of a very important time in terms of student results and especially so for the Year 12s. All teachers accept and encourage drafts so please encourage your child to do complete them. Most students should have some assignments due at the moment, so if you can, try and read them. Even if you do not understand the content, your advice on sentence structure and grammar will often help. A little bit of extra time can make a big difference in the overall result.

Our visits to primary schools will continue next term with Mr Howe and a group of students to talk about the year 7s going into year 8. If any prospective parents need more information please phone the school.

Thank you also to Ms Pantano for putting on the QCS breakfast for our year 12 students. I know they enjoyed it and I hope it helped them to perform well through these demanding tests.

All parents are reminded that the Annual Contribution Levy is well and truly due. The levy needs to be paid before students can participate in school activities like the Senior Formal. Please pay the levy as soon as is possible.

Finally, as this is our last newsletter for the term I hope our students enjoy their break and I remind all that school resumes on Tuesday 8th October. Please note that Monday is the May Day Public Holiday.

Yours sincerely

MR MATT O’HANLON

BEENLEIGH STATE HIGH SCHOOL RESPONSIBLE ELECTRONICA POLICY SUMMARY

**The Use of Personal Technology Devices at School**

This policy summary reflects the importance the school places on students displaying courtesy, consideration and respect for others whenever they are using personal technology devices.

- The school does not accept responsibility or liability for damaged or stolen electronica such as mobile phones and other personal technology devices (e.g. iPods).
- Personal technologies must be turned off and out of sight during assemblies or classes.
- Personal technology should only be used in a classroom for learning under the explicit instruction and direction of a teacher.
- Personal technology devices may be used during morning tea and lunch breaks and before and after school.
- Teachers will remove electronica from students if they are not being used appropriately and they will be returned to students within a reasonable time frame.
• Recording of behaviours or incidents such as fighting, pranks or bullying on personal electronica is not permitted or legal. Recording of such incidences is an invasion of personal privacy and will result in disciplinary action.

• Devices containing evidence of criminal offences may be reported to the police. In the event of this occurring, police may take possession of such devices with students/parents advised to contact Queensland Police Service directly.

• The school takes no responsibility for, and has no jurisdiction over, personal social network content (e.g. Facebook, Twitter). Such matters should be referred to the Network Site itself (e.g. Facebook) or the Queensland Police Service.

**PARENTS/CARERS NOTICE**

- Parents/Carers please be aware that if your child is absent for any reason you must phone the absentee line on 34423760. If for some reasons you haven’t contacted the absentee line, a SMS message is deployed to the 1st contact person from student’s data - please reply. We attempt to do our very best in communicating with the information we have.
- Many students are using their mobile phones to ring parents to get permission to leave. Unless someone from the office has actually spoken to the parent/carer, then the student will not be signed out.
- Please understand that during class time it is very difficult to get messages through to students. Please keep messages to emergencies only. If you need to drop off lunches, money or cooking etc, office staff will endeavour to locate your child. However sometimes with outside school/classroom activities, this is not always possible.
- If you wish your child to be signed out, please write a note with student’s name, date, time out and parent’s or carer’s signature which is to be handed into the office in the morning so passes can be arranged. Please be aware of school break times.
- Students can be contacted on their mobiles only during the lunch times (listed below).
  
  A reminder that mobile phones must be turned off during class times.

**YEAR 12 FORMAL INFORMATION**

The principal Mr O’Hanlon would like to invite current year 12 students to attend the Beenleigh State High School Formal. This will be on Wednesday 13th November at Dreamworld in Coomera. Mr O’Hanlon’s invite is conditional on each student’s behaviour until the 13/11 and on the payment of all outstanding accounts by Friday 1st November.

Students are reminded that this is for Beenleigh State High School students only. Dress is to be formal and appropriate for this special school function.

Arrivals will begin from 5.45-6.45pm and parents are invited to attend this part of the evening. The formal will cost $110 which includes canapés, a 3-course plated meal and the night’s activities. A deposit of $50 is required to be paid as soon as possible to the payment office. On payment of the deposit students can request their table at which they wish to be seated at for the evening. Tickets will be released to students on Monday 11th November.

**NATIONAL SCIENCE WEEK**

National Science Week was held across the country from August 10-18th, 2013. The week saw almost 400 events happen around Queensland, contributing to over 1800 events across Australia, with Beenleigh SHS being no
exception. The event was celebrated here with lunch time activities, experiments and demonstrations conducted all week by Mr Meagher and the rest of the Science teachers. Mixing the extremely reactive sodium with water, blowing up dry ice bombs and hydrogen filled balloons, firing solid fuelled rockets and hammering nails with bananas frozen by liquid nitrogen were just some of the highlights that entertained and intrigued hundreds of students throughout the week.

SCROLL TO THE BOTTOM OF THE STORY AND THERE IS A MOVIE OF THE EVENT.

In addition to the festivities held at school during the week, Ms Johnston took Brooke Longham and Taryn Brehmer, from the Year 11 Biology class, to visit Mt Warren Park State School to attend their science fair. They held a stall where the primary students were able to experience hands-on displays from all three science disciplines. Students experimented with the reflection and refraction of light rays, demonstrated forces using a Newton’s Cradle, handle and view animal specimens and touch ‘smoking’ bubbles, created by dry ice.
The whole week was a great success and we hope that the events promote further interest for our budding scientists here at Beenleigh.

POSITIVE BEHAVIOUR FOR LEARNING (PBL)

Did you know that it is currently Body Image Awareness Week. This is a particularly important issue for adolescents as they transition from being children into young adults.

In line with this, our PBL Focus at the moment is ‘Care about Yourself and Each Other’. It is important that all our students (and staff!) learn to be comfortable with the way they look and learn to ‘love’ themselves. So many young people continue to compare themselves to TV personalities, models and photo-shopped images in magazines. As a community, we need to be educating our youth that this not the way we should be judging ourselves.

By Mrs Little – HOD of Teaching & Learning & Mrs Richardson – Library Teacher Aide

In the words of the famous song by Christina Aguilera:

*We are beautiful no matter what they say
Yes, words won't bring us down, no, no
We are beautiful in every single way*
Yes, words can’t bring us down, oh, no
So don’t you bring me down today

Congratulations and keep up the good work!!!

The competition challenge for teams comprised: a 45 minute team challenge (10 questions) followed by an hour long relay event (teams were split into pairs with a ‘runner’ - 20 questions went between teams who attempted to answer alternate questions). Our winning teams won by over 25 points in each event.

We are very proud of the above students who took to the challenge and gained from their experience. The students themselves are keen to “start training for next year” because they enjoyed the event so much. A big thank you to: Toni Tereva and Wendy Captain for accompanying the teams on the day and to Ms Burke and Ms Grantz for organising the event, training the teams and transporting the students. Special thanks to Mr Begley who also assisted with transport (a trailer for the trophies!).

RUGBY LEAGUE NEWS

Rugby League vs. Flagstone College

After hosting Flagstone College a couple of weeks ago, Beenleigh travelled to Greenbank to return the favour. Three games were played and all matches were competitive, spirited and close.

Year 8 Boys

Beenleigh started the day with an excellent victory for the year 8 Boys. They dominated and won by 24-4. Coach Smith was impressed with the teams completion rate and attitude. It’s great to see so many promising athletes in year 8. The player of the match was Matiu Te Rore with Robert Cook and Josh Little also having excellent games.

Open Girls
Beenleigh took a young team compiled of Year 9-11 girls. Flagstone fielded a team brimming with Senior girls who boast club experience. Flagstone won 24-4. Beenleigh demonstrated resilience, hard work and spirit and remained competitive until the final whistle. Coach Jolly was impressed with their skills and she is looking forward to continuing their progress as a team. Kopu Neale was the player of the match.

Open Boys

After Beenleigh took the honours at home, Flagstone were always going to be determined to return the favour. Beenleigh fielded 13 players and only travelled with 1 reserve and an early concussion to Hone Ngapera left them without any replacements. Beenleigh took a while to get going but led 12-10 at halftime. An excellent individual try from Ats Muru put Beenleigh into the lead but a short kick-off and regather led to a last minute Flagstone try. Beenleigh were unable to find a last minute answer and Flagstone finished 26-22 winners. Tama Morgan was the player of the match.

PARENTING INFORMATION
This week, Beenleigh SHS has become a member of Parenting Ideas. As a member, the school receives updates and newsletters that help to support families regarding ideas and support for parents when raising teenagers. Mr Michael Grose writes in weekly newspapers and appears on Television which centres on a range of topics that parents deal with on a daily basis. This week's message is about trusting your instincts. We are also planning to set up a parenting blog on our school web-site to support our parents in the future. There will be more information in our newsletter next week.

GCIT TRY-A-TRADE DAY

On Tuesday 3rd September Beenleigh SHS Year 12 workforce bound students attended a seminar to access information about different trades. Students were split into groups and rotated through various trade industries with hands-on activities. This provided students with necessary information to start accessing their most relevant career pathway.

BODY AWARENESS WEEK/HPE WEEK
As part of the Body Awareness and HPE week, students participated in a mass physical exercise circuit during lunch break in the multi. Students lunged, “burpeed” and “ab-crunched” to old school tunes for 30 minutes of high intensity activity. It was great to see around 100 students get involved alongside the staff to help improve their health and wellbeing! There are a number of other activities taking place to raise awareness about health and wellbeing and celebrating “Beenleigh’s Beautiful”.

CERTIFICATE II IN ANIMAL STUDIES

BSHS recently competed in the Wildlife Challenge at Lone Pine Koala Sanctuary. This challenge fosters teams to work together to solve cryptic clues, use powers of observation and face fears. Five teams completed against time and each other, competing: a reverse scavenger hunt, wildlife challenge stations and animal riddle clues. This was truly a unique experience for all the students who competed. An experience they will remember!

Our winners on the day were Team Echidna (with a mascot and lanyard resembling an echidna):

Alysha Thackeray Dwayne Lotz Jermoien Dowdle Teevan Billiau

Team Echidna successfully completed the challenge stations at a steady pace, whereas Team Tassie Devils struggled with recording and completion of cryptic riddles. The challenges included:

a) Platypus rescue

b) Egg fertility check

c) Mystery enrichment smells - To keep captive wildlife enriched, keepers regularly place different smells around enclosures. This promotes exploration and mental stimulation. Can your group identify concealed enrichment smells?

d) Who’s poo is this? - Poo can reveal a lot about the things animals eat, where they go and even how they live. To identify faeces we look at size, colour, shape, contents and even smell! Groups are challenged to match poo to animals.

e) Wildlife trafficking

f) Urban threats to native animals

We would also like to thank the education officers and staff at Lone Pine Koala Sanctuary and our very own SEP unit who released Mr Mark Leon to drive the rest of the students to the event on the 23rd August

By Mr Neville – Agriculture Teacher
Hi everyone, welcome back to term 3 – we hope that you all had a great holiday.

EVENTS FOR TERM 3

Term 3 is a busy term for our Student Council with two major campaigns running in the school. The first campaign will be our World Vision 40 Hour Famine Campaign. Next full school assembly we will be launching our campaign on parade and encouraging up to sign up. By being involved in this campaign our school can raise funds that go towards helping people who are chronically hungry and living in poverty. The 40 Hour Famine funds support projects that fight hunger in East Timor, Nepal, Cambodia, Laos, Tanzania and Kenya and help World Vision respond to emergencies and other needs around the world.

So please listen to the daily notices and then come along to the E-Learning Centre to sign on – we will run the campaign from Week 4 to Friday Week 8 to be flexible and allow you enough time to fundraise and collect and return your money. So please be involved and become a freedom fighter and support others who are in need.
The Strawberry Festival Day

Our second campaign for the Term was the Strawberry Festival Day which was held Week 9 on Friday the 6th of September. We sold our traditional Hammel Strawberry Farm fresh juicy sweet strawberries with ice-cream outside the Tuckshop in first and second break!

Thank you for your support of this successful strawberry day – approximately $300 was raised.

YEAR 12 MUSIC PERFORMANCE EVENING

Congratulations to the Year 12 Music students who performed at their major performance night of the year for their final performance assessment. I was very proud of everyone for giving it their best and performing at such a high standard! A big thank-you to Mr Mike Mato, for supporting our students up on stage on the night, and to Mr Howe and Hayden Woodgate for doing our Sound & Lighting.

ASTHMA & ECZEMA

Does your child suffer asthma or eczema?

Every day thousands of Australian children suffer the effects of asthma and eczema, and families struggle with illness management and children’s behavioural and emotional adjustment.

Positive Parenting for Healthy Living is an adaptation of the successful Triple P - Positive Parenting Program, offering practical ideas and support for parents of children suffering asthma or eczema. This innovative group program is designed to help parents manage their child’s illness, assist children in coping with their illness and emotions, and prevent and manage difficult child behaviour.

Over the next few months and for a limited time only, parents of 3-10 year old children suffering asthma or eczema are able to access Positive Parenting for Healthy Living Triple P free of charge as part of a University of Queensland research project. Contact Amy Mitchell on (07) 3365 7305 or email healthyliving@uq.edu.au, or visit www.exp.psy.uq.edu.au/healthyliving for more information.

CHILD PROTECTION WEEK

Child abuse and neglect is one of Australia’s most significant social problems. Last year over 35,000 Australian children were proven to have been abused or neglected. Given the size of the problem, and the psychological, emotional and physical damage that can result, child abuse and neglect represents one of the greatest barriers and threats to the wellbeing of Australian children, young people and the next generation of children and adults.
It affects mental, emotional and physical health, levels of violence and crime, addiction, educational attainment and employment.

Child Protection Week is coordinated nationally by the National Association for Prevention of Child Abuse and Neglect (NAPCAN) and promotes the belief that protecting children and young people is everyone's responsibility.

The mission of NAPCAN (National Association for Prevention of Child Abuse and Neglect) is to advocate on behalf of children and young people and to promote positive change in attitudes, behaviour, policies, practices and the law to prevent abuse and neglect and ensure the safety and wellbeing of all Australian children. NAPCAN has a significant web presence at www.napcan.org.au, and telephone helpline presence 1800 811 810 (Business hours) and 1800 177 135 or (07) 3235 9999 (after hrs/weekends).

If you need to speak to someone from the support team you can talk to anyone of these people.

DENTAL HEALTH NEWS

LOGAN-BEADESERT AREA - ORAL HEALTH PROGRAM

Dear Parents/Guardians,

Free dental care is offered to all Queensland resident children from four years of age to the end of Grade 10 through Metro South Health’s Child & Adolescent Oral Health Program. Students who are in year 11 & 12 are eligible if they are dependants of current concession care holders or hold a current concession card themselves.

Dental examinations and consequent dental treatment is currently being offered at Beenleigh Primary School located at 22 James St Beenleigh 4207.
If you wish your child/children to access this service, please **contact the Dental Clinic on 3807 4865**. The hours of operations for the Dental Clinic are 7:30am to 4pm Monday – Friday.

- *If you wish your child to attend the School Oral Health Program for a dental examination and treatment you must contact the Dental Clinic by phone or in person.*
- *Consent Forms will need to be completed by parent/guardian before treatment can commence.*
- *Teen Dental Vouchers issued by the Commonwealth Government to eligible students are accepted by the Dental Clinic. If you have a voucher please bring it along to your first visit.*

As part of the Oral Health Program, Queensland Health has implemented safety steps for the School Dental Service and your child's oral health. This procedure ensures that your child's dental treatment is performed in accordance with the following safety steps: identification of patient, informed consent, identification of site and side of procedure and the final team check. For further information regarding these safety steps please contact Dental Van staff or refer to this website: [www.health.qld.gov.au/psq/patients.asp](http://www.health.qld.gov.au/psq/patients.asp)

Queensland Health supports the rights and responsibilities of our patients, consumers, carers and families. For further information please contact Dental Clinic staff or visit this website: [www.safetyandquality.gov.au](http://www.safetyandquality.gov.au)

Oral Health Staff can be contacted on phone number 3807 4865.
