**Beenleigh State High School Newsletter**

25/10/2013

The school celebrated 50 years of service to the community last weekend and I was proud to see so many people come back and enjoy the activities provided by the organizing committee. A big thank you to all of our helpers with a special mention to Fiona Richardson, Sandy Collard, Silas Middleton and Desley Marks for their efforts. On Friday night over 350 people packed the PCYC and over 500 people visited the school on Saturday. Incredible! Friday night’s entertainment included an outstanding performance by Soul Mystique (former student Gavin Skinner and his partner Lydia Lim) which was absolutely outstanding. Gavin and Lydia travelled from Melbourne at their own cost to be with us and it was a true highlight. Adam Bartlett performed a number of songs and many of our student performers really added to the night. On the night, we were joined by four past principals: Mr Ian Smith, Mr Brian Hedges, Mr Frank Ascott and Mrs Desley Hodge - and it was great to have them reminisce about their times at Beenleigh SHS. People travelled from as far afield as Perth and we had 10 members from the class of 1963. A big thank you again and well done to all.

Can I also thank the following major supporters of the evening: The PCYC, de Bortoli Wines, Beenleigh SHS P & C, and Mr Don Watters and to our many other supporters who helped make the night the success it was. Also I would like to thank Hayden Woodgate for taking the great photos and please take a look at the slideshow photos below. The school has a number of anniversary items for sale if you are interested. These include the Anniversary magazine, wine glasses, coffee mugs, key rings, stubbie coolers and biros. All items are available from the school.

Last Friday we also conducted our annual Multi-Cultural Day. It was a great day and I thoroughly enjoyed the presentations. The Multi-Cultural day is a top day on our calendar and our students were amazing. The Year 8 students also had a program covering a range of cultures that hopefully broaden their perspective on the multicultural nature of the community we live in. Thank you to the many teachers involved in this program especially Mrs Nieuwenberg and Mrs Vidler.

Congratulations to Ta Gray who was recently awarded the Logan City Council School Based Trainee of the Year Award. Ta has benefitted greatly from his work at Logan City Council in their libraries and has been an excellent ambassador for the school.

This is an exciting time for the Year 12 students – their time at school is fast drawing to a close and they are looking forward to their lives outside of school. It is important that they remain focused and keep up their studies to the end. All seniors need to finalise their accounts before the end of the year; so please do so. As always the Senior Formal will be held at Dreamworld on the 13th of November. The graduation ceremony will be on Friday morning, 15th November at the Beenleigh Events Centre and parents are welcome to attend.

Annual Awards Night will be held on Wednesday 6th November, where we will recognize the efforts of our students in 2013. Our annual contribution fee for 2014 will still be $200 for all students enrolling at Beenleigh SHS

Yours sincerely
MR MATT O’HANLON

BIOLOGY CAMP
In term 3 the year 11 Biology Class completed a two day camp at Burleigh Headland learning about ecosystems.

What we did... worked on assessments, went for runs at 6am to look for the closest McDonalds, and ate 2 + Kilos of lollies in the girls cabins!
Mangrove exploration…….Found hundreds of little crabs and played in the mud. Smelt horrible but learnt a lot about marine ecosystems.

Rocky Shore.........Played with a sea cucumber, learnt about all different types of sea diversity, squished squirts and found many hermit crabs/snails, spotted whales.

Night walk through Burleigh Heads……..Spotted lots of spiders and creepy crawlies, great view from the top and got lots of exercise.

Swimming at Burleigh…….Right on sunset-the best time to swim, spent quality time together as a class, got some time to ourselves and got to relax and have fun!

The highlights were swimming after the activities, the free wifi from our cabins, great breakfast, spotting many different little creatures, and the night walk to the lookout.

WORLD TEACHERS' DAY

On Friday the 11th of October the Student Council Hosted a World Teachers' Day Morning Tea a chance to give back to all our Teachers and Support Staff by providing a Morning Tea in the hospitality trade centre. We congratulated our long term serving teachers and support staff -World Teachers' Day acknowledges the efforts of teachers in an increasingly complex, multicultural and technological society. It is a day on which students, parents and community members can demonstrate their appreciation for the contributions that teachers have
made to their community. A big thank you to Mrs Sonya Berthier, and the Hospitality staff and aides and all the hospitality students who helped make this day a wonderful success.

QUEENSLAND ALSCHOOLS TOUCH COMPETITION

Over the period of three days, from Thursday the 10th of October to Saturday the 12th, Beenleigh SHS was privileged enough to compete in the Queensland All Schools Touch Competition in which more than 200 teams entered and competed. There were four teams from Beenleigh High that competed; Year 8 mixed, U15 Girls, U15 Boys and Open Boys, which all strived and participated very well. The hard work in the preparation, organisation and dedication towards making the event possible and a success for Beenleigh High was exceptional. Without the preparation, guidance and coaching by Mr Smith, Mr Clinch, Mr Stewart, Miss Green, Miss Jolly and Mike, Beenleigh High would not have had the opportunity to compete in such a great, competitive competition. All four teams that represented Beenleigh played well, underestimating the skills that our teams had.
We were lucky enough to leave with a handful of wins from each team. The Junior Year 8 mixed team won 3 out of 5 games. The U15 Girls won 2 games, drew 1 game and lost 3 games. The U15 Boys competing had 3 good wins out of their 5 games distributed over the three days. Lastly our Open Boys, with their skill and teamwork that they demonstrated out on the field, won 2 games out of 5. The experience of competing against touch teams of a high standard not only encouraged our students to play harder, but also play with sportsmanship and pride. We are looking forward to going back next year with more skill and knowledge of the game!

30 Beenleigh SHS students were selected to attend a seminar on the benefits of healthy nutrition and personal training during school. These students were from the Girls Rugby and Netball teams, girls boot camp, Year 12 Certificate 3 in fitness class and the Year 11 Rugby League class. SNAP fitness Indooroopilly owner, Tudor Vasile alongside Personal Trainer Jon, offered their services to provide students with invaluable information on nutrition. Students discussed the three main types of macronutrients: carbohydrates, protein and fat. They learnt how to read nutrition labels and what foods are best to eat before and after training. Students also compared various types of supermarket products and looked at the different nutritional benefits.
Following the nutritional information, students were taken out to the oval for an intense training session involving three rotational groups with a mix of boxing and body resistance exercises. All students found the seminar to be beneficial and provided them with some useful information to help them reach their individual goals. We would like to thank SNAP fitness of Indooroopilly for volunteering their time and look forward to working with them for the Open’s Rugby League team.

YOUNG ENDEAVOUR SCHOLARSHIP

RECEPIENT - Rachelle Maas

Last term year 11’s were offered the opportunity to apply for the young endeavour. Out of the 5 people who applied I was fortunate enough to be given the $3500 scholarship. We began our journey in Sydney where we then sailed to Melbourne. On our 11 day voyage we were taught how to navigate, heave sails, and tie ropes and how to cast away. We did team building activities, played games and took turns with helping the chef cook. We split into three watches Red, White and Blue, we took turns during the night to watch and maintain the ship.

On the young endeavour a typical day for us was to wake to an old loud country song which was around 7:30, everyone had to go on deck and do laps walking around the whole area of the deck until everybody was there. We would then go down to an already prepared breakfast. We had half an hour to eat, shower and get dressed. We would gather on deck for the morning briefing of what we were going to do that day. Then we would go and do happy hour which was to clean the whole boat. The day was filled with challenging activities which built friendships, leadership skills and problem solving. Games were played such as ‘ropies’ which is where the groups would compete against each other in various sailing based activities. Then we had time to ourselves until we had to go to dinner, and stay up late if you were on watch to keep a lookout for the sailing boat.

This experience was an once-in-a-lifetime opportunity that I will never forget. So take every opportunity that gets given to you because you never know the outcome!

BEELENIGH SHS CULTURE DAY
Last Friday was our annual Culture Day. The day began with Performances from over 80 students from our school and community, representing more than 20 different culture groups (the actual breakdown of cultures within these groups is even larger). Our Year 8 students then participated in workshops for the rest of the day, where they were given the opportunity to delve deeper into 7 different cultures from around the world.

Thank-you to all of the performers, teachers and workshop leaders on the day. It is always wonderful to be able to celebrate our multicultural school!

PARENTING IDEAS - HELPING KIDS MAKE SMART CHOICES

Decision-making like anything requires practice.

Some children want to have a say about everything that involves them. They have no problem letting parents know what they want and how life should be. Other children will avoid making decisions and will happily sit back and follow the lead of others in anything from fashion to food eaten at dinner.

Most parents these days are keen to involve children in family decision-making processes. It is smart management to get children’s input as they are more likely to stick to decisions when they have had a say.

It is challenging for parents to know when to make decisions for children and when to stand back and allow them to decide. Decision-making in families is broken into three areas:

1. Parents Decide: these are decisions where there is no negotiation. e.g. going to school, bedtime (at certain ages), mealtimes.
2. Work things out together: these are areas where you and your child negotiate outcomes. e.g. when to come home from an outing, TV programs.

3. Kids Choose: give your children full authority within reason in some areas. e.g. choose the sport they play, school activities, clothing

Each of these areas will vary according to parental values, the age of children and even individual temperament. Some kids want a full say in everything and need to learn that not everything goes their way. Others don’t want to make a decision for fear of making a poor choice. Both can be exasperating for parents.

Regular family meetings or get togethers provide terrific forums for parents and children to work things out together. Outcomes are best negotiated in formal settings that ensure sufficient consideration is given. Reward responsibility with greater freedom to choose.

As children grow and show the ability to make sensible decisions allow them more authority over their lives. Increasing independence involves greater freedom to choose, which demonstrates trust and faith in their ability to make good decisions. But greater freedom to choose needs to be accompanied by an increase in responsibility and also willingness for them to experience the consequences of their decisions. Grounding a child for being late home or removing rights to use a computer for a day if they overuse it maybe the best way to remind kids that they have made poor choices! These consequences need to be seen as learning opportunities not as punishments.

All decisions that children make have a consequence – whether positive or negative. A child can use the following three questions to help him or herself assess consequences of a decision they may make. This is a particularly useful guide as kids move into adolescence:

• Is this behaviour safe for me?
• Is this behaviour fair to others?
• Is this behaviour smart and in my long-term best interests?

Children often can’t see the long-term consequences of their decisions so it’s useful to give them information to help them make smart choices.

Also some children leap before they look. They need to be reminded to slow down and consider some of the possible consequences of their actions.

SUBJECT SELECTIONS & ANNUAL AWARDS NIGHT

- **Year 8 Students Selection of 2014 Year 9 Subjects**: Next Wednesday the 30th of October, all year 8 students will be selecting their 2, 2014 Year 9 Elective subjects. All parents and family are invited to attend. The core focus of the evening is to recognise the outstanding achievements of our students. To ensure that this night is a success, students receiving awards are expected to attend a rehearsal on the day of the awards at the Community centre. Students will be given a note regarding this rehearsal and they will be accompanied by a teacher to rehearsal. Students who do not attend the rehearsal will not receive the award on the Awards Night. If for any special reason students cannot attend rehearsal but intend on attending the Awards Night, should contact Mrs Kelly Wonnacott before the event. Students receiving awards will be posted on the student noticeboards and permission forms will be given to them by the Engagement Coordinators.

**CAREER HUNTERS APP**

New smartphone app helps young people with jobs and career opportunities

The Career Hunter app, developed from a young person’s perspective, is a simple way for young people and their parents to explore career opportunities.

Believed to be the first career exploration app of its kind, it provides information about occupations and industries, job descriptions, training and qualification requirements, and job vacancies. It makes tangible links from school to the world of work and highlights the industries were skills are most needed.

The Department of Education, Training and Employment; The Smith Family; Regional Development, Australia; Busy at Work and Group Training Australia worked together on the development of the app — now available from the Apple app store.
