PRINCIPAL'S REPORT
The Education Queensland Showcase Awards are on next week and we have two entries. The ASDAN programme which won the Village Roadshow Inclusive Education Award last year and is seeking higher honours this year. Mrs Raudon- Hill has put incredible passion and energy into implementing ASDAN and the Catching the Fire program. It is a great benefit to our students. We are also entering the “ET for Beenleigh” programme from our Agricultural Department. This is an outstanding cattle breeding program unique in Australian schools. Eagleby Learning College has also entered the Awards so we will be well represented. Well done all.

I was able to attend our school’s ANZAC day ceremony a fortnight ago and I was most impressed with the high level of commitment of our students to this ceremony. Our guest speaker, Mr Peter Smith, who served in Malaya and Borneo, said our students were the best group he had spoken to. As a whole, the performance of our students displayed a high degree of respect. All students were excellent ambassadors for the school and typified the commitment of our younger generation to acknowledge how grateful they are for what their forbearers have done for them. The ceremony is also an acknowledgement of their pride in their country and Beenleigh in particular. Vinnie Shoesmith played ‘The Last Post’ brilliantly and the choir was excellent. I was also impressed by the students who participated in the town service and the singing of the New Zealand national anthem by our students was especially good. A big thank you to all of our students for their efforts.

Our Cattle Show Team is about to start its season of shows at the Ipswich Show in a fortnight. The students are very excited as the program is an excellent learning experience for those interested in the beef industry. We will report results in the newsletter.

Our sports teams are about to start the winter run and we look forward to many good results and performances. The summer season was successful for our students and Mr Massey reported to me that everything went fine. We made seven finals winning one. Good work sports people and keep it up!

Next week our year 9 students will complete the National Literacy and Numeracy Tests (NAPLAN). These tests assess student performance in both Literacy and Numeracy and are conducted over Tuesday, Wednesday and Thursday mornings. This national program provides student performance information to parents and the school in relation to both our student performance and the group, and adds to the data collected in the Year 3, 5, and 7 tests. Parents will receive a report on their child’s performance in September.
Parents are reminded that the next P&C meeting will be held on Monday 19th May at 5.30pm in the learning centre. Please note the changed time.

Yours sincerely

ANZAC DAY MARCH

On ANZAC DAY a number of students from our school attended the Dawn Service in Beenleigh and also participated in the march through the streets of Beenleigh at 10.00am. It was wonderful to see so many students supporting our school and showing their respect to members of the armed forces who have served our country.

A group of our music and cultural students sang the New Zealand National Anthem at both of these services, special thanks to Mike Mato. Thank you so much to all the students, staff and parents involved in the day, you did our school proud.

**PARENTS/CARERS NOTICE**

- Parents/Carers please be aware that if your child is absent for any reason you must phone the absentee line on 34423760. If for some reasons you haven’t contacted the absentee line, a SMS message is deployed to the 1st contact person from student’s data - please reply. We attempt to do our very best in communicating with the information we have.
- Many students are using their mobile phones to ring parents to get permission to leave. Unless someone from the office has actually spoken to the parent/carer, then the student will not be signed out.
- Please understand that during class time it is very difficult to get messages through to students. Please keep messages to emergencies only. If you need to drop off lunches, money or cooking etc, office staff will endeavour to locate your child. However sometimes with outside school/classroom activities, this is not always possible.
- If you wish your child to be signed out, please write a note with student’s name, date, time out and parent’s or carer’s signature which is to be handed into the office in the morning so passes can be arranged. Please be aware of school break times.

TITANS SCHOOL GIRLS LEAGUE CHALLENGE

On Friday 2\textsuperscript{nd} May, 27 female students attended the Titans School Girl League Competition held at Merrimac SHS on the Gold Coast. Threatening storms did not stop the competition going ahead. The under-14 development team made up of majority year 8s were very eager to attend their first official competition. Students played outstandingly in their two very close matches. All the girls learnt new skills and rules from the ‘safeplay’ code on the day. The under16 girls were entered as a Barbarian side with Beenleigh SHS making majority of the side. These girls were awarded the Runner’s Up plaque after a very closely contested grand final against Trinity College. The Open’s division girls were also entered as a Barbarian side made up of several other girls from other schools. The played some brilliant games also, unfortunately not finishing on top.

The highlight of the day was five U-14 girls being selected for the Gold Coast Vikings team who competed the next day in Brisbane against other areas in QLD. These girls were Britney Green, Rachel Pouanga, Suelyn Moreira, Divine Bikorimana and India Royal.

The girls will continue their weekly trainings ready to compete in the next tournament. Ms Jolly would like to thank Mike Mato and Chris Carberry for assisting with transport and coaching on the day.

On the last week of term one, selected Year 11 and 12 students from Hospitality and Tourism subjects attended the ‘Royal Pines Livet Program’, more commonly known to the students as ‘Hotel School’. During three days, the students had the opportunity to work at the Royal Pines Resort on the Gold Coast. They were rotated around the different departments of the resort and worked in such areas as Concierge, Pastry Kitchen, Restaurant, Sales, Housekeeping, and Golf Operations to name a few. Our students did extremely well and made BSHS proud. Anne James of the Resort had the following to say about our students, “They were certainly a friendly group of teenagers and we enjoyed having them…Our staff have had very positive comments in relation to your lovely students.” Well done.

Beenleigh SHS Annual Cross Country was held on Thursday 24th April. We were blessed with a sunny day for the event, and just under 200 students and teachers lined up at the starting line to participate in the race.

After some fierce competition through the school and the footpaths of Eagleby and Beenleigh, our champions emerged through the gate. Montel Butterworth, running his first ever cross country, was the overall winner closely followed by Tyiler Barnes. Tori Groves – Little defended her title as overall girls champion. Logan House returned to the winners' podium in convincing fashion after a close challenge from Albert and Pimpama.

Congratulations to all who participated – final results are as follows:

**Overall winner**

**Male:** Montel Butterworth

**Female:** Tori Groves-Little

HIGH TEA PARTY

What a way to start off a year of amazing functions at BSHS! Year 12 Hospitality (Front-of-House and Kitchen Operations) hosted a High Tea for the teachers and staff of the school. The TTC was turned into a lovely ‘tea house’, and guests were greeted at the door with a smile. Coffee and tea were served whilst the guests helped themselves to the delicacies on the High Tea stands in the middle of the tables. Delicious soups, sandwiches, quiches, and sweets were only some of the wonderful choices served on the menu. Teachers and staff said that the food and service was ‘wonderful’ and matched professional restaurants that offer High Tea. Well done!

Students learnt the process of product design from client request through to marketing and advertising. Jet Pilot designs products for wakeboarding and water skiing such as lifejackets, clothing and helmets. The guest speaker sparked students career options and provided them with future visions that if you have a passion or hobby, you can achieve a successful career in an industry of your choice. NATIONAL DAY OF ACTION AGAINST BULLYING

The national day of action against bullying and violence was Friday March 21st. On this day year 8 students participated in planned activities that were relevant to this issue. The activities not only provided information about the complex issue of bullying and violence but also equipped students with strategies to combat bullying. The sessions encouraged students to have tolerance and respect for all individuals to ultimately achieve a peaceful and happy existence in society.

RUGBY LEAGUE NEWS

Beenleigh Eagles 10 – 14 Sandgate SHS

The Broncos Challenge kicked-off on Wednesday with the Opens travelling to Sandgate for round 1. Spirits were high and Eagles looked the part in their formal uniform and team ties. Some quality training sessions leading up to the game coupled with some new jerseys created an air of confidence in the team. Unfortunately, Sandgate SHS were out to spoil the party and the Beenleigh men were on the back foot in the entire first half. Sandgate’s quality kicking and poor handling by Beenleigh resulted in Sandgate opening the scoring. Two soft tries to Sandgate followed. The first was down the short side. The Beenleigh men didn’t communicate or commit to the tackle and Sandgate crashed over. The second try was amateur defending on the line as the Sandgate number 9 slipped over from dummy half. The score was 14-0 to Sandgate and it should have been a lot worse if not for a last ditch effort from Tamihana Johnson and some excellent bomb defusing by Montel Butterworth.

The second half was an opportunity for Beenleigh to start a fresh. Some more committed defending and enthusiasm saw Jay Lealali crash over. In his first game for the Eagles, Nikora went over under the posts to leave the score at 14-10. The game was at a critical point. Jasiah Wells, trying to spark the Eagles, was over-enthusiastic in a tackle and placed a Sandgate player in a dangerous position. He got 5 minutes in the Sin Bin and the game was held up for 8 minutes. With no time off for injury, Beenleigh were up against the clock. Evander Kaleta had a barnstorming second half and as Captain he inspired the Eagles back into the game. He
made a break from half way, the Eagles were on the attack before the referee blew for full-time. The Eagles were left to ponder what could have been after a below standard 1st half.

**Match Awards**

*Players Player – Montel Butterworth*

An excellent performance after he was moved to fullback early in the first half. His communication, hard running and confidence under the high ball were outstanding.

*Coach awards*

*Forwards*

Hone Ngapera – worked hard and controlled the ruck

Nikora Broughton – in his first game, Nikora was excellent

Jayden Aram-Terekone – some good runs and quick play the balls help get the team on the front foot

*Backs*

Montel Butterworth – an outstanding game at fullback

Evander Kaleta – a quiet first half but some outstanding runs in the second half

Shayde Little – off the bench Shayde showed commitment and effort which was lacking early on

**POSITIVE BEHAVIOUR FOR LEARNING PIZZA PARTY**

Pizzas were the order of the day during the last week of term one, with a care class from each year level being treated to this delicious dish because they had the most PBL merit points. We have had a record number of points awarded this term and are hoping that this trend will continue well into term two. Students have been meeting and exceeding expectations within the classroom and are now being able to reap the rewards. Every fortnight there are rewards given out on parade, but the end of term is an ideal opportunity to recognise those students have consistently been caring, responsible and achieving. Keep up the good work Beenleigh High!

CAREER HUNTER APP

New smartphone app helps young people with jobs and career opportunities

The Career Hunter app, developed from a young person's perspective, is a simple way for young people and their parents to explore career opportunities.

Believed to be the first career exploration app of its kind, it provides information about occupations and industries, job descriptions, training and qualification requirements, and job vacancies. It makes tangible links from school to the world of work and highlights the industries where skills are most needed.

The Department of Education, Training and Employment; The Smith Family; Regional Development, Australia; Busy at Work and Group Training Australia worked together on the development of the app — now available from the Apple app store.
