We have had the Education Queensland Audit team in the school this week reviewing our practices in Teaching and Learning, and Discipline. I will share their views with you next week when I receive their report. The audit process takes place every four years and a number of parents were spoken to.

Tomorrow night a group of about 100 students, who have improved their performance in the first semester, will accompany me to the Broncos v Warriors match. Each year the Broncos support us with this excellent reward and the students really enjoy the evening. Thank you Brisbane Broncos.

Beenleigh High students performed in a number of activities over the holiday period. Our cattle show team went to the Mudgeeraba Show and our rugby league boys played in the QSSRL Country Cup at Maroochydore. All students represented the school well and I thank the teachers who provided these opportunities.

Next week the school will recognize NAIDOC Week with a performance by our dancer troupe Mibunn Jinndi and a Kup Muri (an Aboriginal earth oven) prepared by Mr Stewart. During the last week of term 2, I attended the Aboriginal and Torres Straight Island Camp at Canarvon Gorge. What an excellent activity for our students and a big thank you to our cultural support teachers. Thank you to all students involved and to the work of Mrs Little, Ms Turnbull, Mr Stewart and his little sister, Saraya with our kids. Also thanks to ARTIE and their school based worker, Hamish, for all of their support.

I have been reviewing student performance over first semester and was satisfied with the performance of many of our students. An area that all students can pick up on is the completion of all assignments to the best of their ability. Some students are handing in their assignment with “that’ll do” attitude. Another ten minutes with attention to detail or even a parent to read the assignments, can make a great difference. All teachers accept and encourage drafts, so please encourage your child to complete them. Parent/Teacher interviews are on next Tuesday 22 July and I encourage all the parents to come on the night. Please see inside for booking details.

Finally year 12 students are reminded to finalise their accounts, so they can participate in the end of year formals etc. I have spoken to a number of students recently and advised them that fees have to be paid and now is the time to sort this out. Please see me if there are any issues around this.

**BEENLEIGH STATE HIGH SCHOOL**  
**RESPONSIBLE ELECTRONICA**  
**POLICY SUMMARY**

*The Use of Personal Technology Devices at School*

This policy *summary* reflects the importance the school places on students displaying courtesy, consideration and respect for others whenever they are using personal technology devices.

- The school does not accept responsibility or liability for damaged or stolen electronica such as mobile phones and other personal technology devices (e.g. IPods).
- Personal technologies must be turned off and out of sight during assemblies or classes.
- Personal technology should only be used in a classroom for learning under the explicit instruction and direction of a teacher.
- Personal technology devices may be used during morning tea and lunch breaks and before and after school.
- Teachers will remove electronica from students if they are not being used appropriately and they will be returned to students within a reasonable time frame.
- Recording of behaviours or incidents such as fighting, pranks or bullying on personal electronica is not permitted or legal. Recording of such incidences is an invasion of personal privacy and will result in disciplinary action.
- Devices containing evidence of criminal offences may be reported to the police. In the event of this occurring, police may take possession of such devices with students/parents advised to contact Queensland Police Service directly.
- The school takes no responsibility for, and has no jurisdiction over, personal social network content (e.g. Facebook, Twitter). Such matters should be referred to the Network Site itself (e.g. Facebook) or the Queensland Police Service.

PARENT / TEACHER INTERVIEWS

RE: Parent/Teacher Interviews and Semester 1 Report Card

We have scheduled a Parent/Teacher interview afternoon to allow you to consult with the teachers of your son/daughter. This has been arranged for Tuesday 22nd July 2014. On this day, from 3:15 until 6:15 pm as
many teachers as possible will be available for interview by appointment. Interviews will be conducted in the eLearning Centre and are of 15 minutes duration.

To co-ordinate the interviews we have employed an online booking system to assist parents in securing their preferred interview times. The procedure is as follows:

- If you wish to see any of your child’s teachers, you need to secure an appointment time using this system. If you do not have access to the internet your local library may be able to help, or alternatively you can call Kathy McGuiness on (07) 3442 3707.
- The booking system will only be accessible from 26th June through to 21st July 12:00pm (midnight). No interview requests will be accepted outside of these times.
- In your web browser type in the school website www.beenleigshs.eq.edu.au

When this appears click the link on the main page for ‘Parent-Teacher-Interviews’.

Instructions on how to use this system is attached in this link CLICK HERE FOR INFORMATION

Teachers may request an interview with you if they feel there is a matter of importance which should be discussed. Please refer to your child’s Semester 1 Report where a parent interview may have been requested.

We encourage your child to accompany you to the interview as this often assists the discussion and clarification of outcomes.

EMAIL ADDRESSES

Communication between parents/caregivers and staff is very important to all members of staff at the Beenleigh High School. We are asking parents/caregivers to provide their email address to the school via the school email address: info@beenleigshs.eq.edu.au Teachers want to use this form of communication also for sending student assessment and progress throughout the year. The school newsletter is also sent via email on a fortnightly basis. In using email we are all also helping our environment with less paper being used in printing of the school newsletter.

ATTENDANCE & LATENESS NOTICES

Please read the flyer attached re attendance and lateness, this is very useful, important information for parents/carers and your student.

CLICK HERE FOR THE PDF FLYER
UNIFORM INFORMATION

WE CARE about our student's uniform at Beenleigh SHS. If your child is out of uniform, please send them to school with a note. If they are out of uniform without a note:

1. Their care teacher will address them and give them 3 chances in the term.
2. After 3 times out of uniform, the school will contact home.
3. Each time the student is out of uniform following this, the student will be sent to the Engagement Office and issued with a school uniform on loan. This uniform must be returned within a week or you will be invoiced for cost.

If you have any questions, please call the school to discuss. Thanks for your support.

INDIGENOUS CAMP
On Monday of the last week of Term 2, approximately 30 of our indigenous students along with teachers and support staff set out on the long but worthwhile journey to Carnarvon Gorge, near Injune in Western Queensland.

Upon their arrival at Takarakka Bush Resort, there was a flurry of activity as tents were erected and warm bedding put into place.

On the morning of the second day, Mr O’Hanlon arrived and accompanied the group on a trip to Baloon Cave where we were privileged to listen to a presentation by Aunty Karen who shared the history of the area and talked about the amazing indigenous artwork found in many areas of the gorge.
We dared to take the students on two challenging hikes into the gorge, visiting important landmarks such as The Ampitheatre, The Art Gallery, the Moss Garden and the beautiful Ward’s Canyon.

Evenings (very cold evenings!) were spent in yarning circles around the fire, the last of these being made even more special by a campfire visit from Uncle Brian and Sister Cindy.

Our students were keen to learn more about culture and participated positively in camp activities, some proving to us and themselves that they could stay the distance on our very long and sometimes challenging bushwalks.

All in all, we were very proud of our students and hope that one day, they will take their own families to visit this very special place so rich in indigenous culture.

Thank you to all staff members who attended – your support and effort was very much appreciated, also a mention of Cade Letchford for his great photography.

NAIDOC WEEK
The National NAIDOC theme for 2014 is: Serving Country: Centenary & Beyond

Theme description: This year’s NAIDOC theme honours all Aboriginal and Torres Strait Islander men and women who have fought in defence of country. From our warriors in the Frontier Wars to our warriors who have served with honour and pride in Australia’s military conflicts and engagements across the globe. We proudly highlight and recognize the role they have played in shaping our identity and pause to reflect on their sacrifice. We celebrate and honour their priceless contribution to our nation.

Join Beenleigh High to celebrate NAIDOC week!

Tuesday the 22nd of July: 8:30am – 9:30am, Full School Parade; performance from our very own Indigenous Dance Group

Thursday the 23rd of July: 4:30pm – 5:30pm, Kup Muri & Yarn

Friday the 24th of July: Indigenous Games held by Mr Stewart at Sports Carnival

By Miss Turnbull – CEC & Indigenous Teacher Aide
The Year 12 students have been working very hard in ICT. The topic for Term 2 was Games Programming. The term started with students having the opportunity to play various games on many different consoles, ranging from old school arcade games such as Donkey Kong and Street Fighter through to interactive games on the Wii and Crash Bandicoot on the PS3. This activity provided the students with the chance to evaluate what factors were important in creating a good game. Students then learnt the necessary skills to create their own games using GameMaker (a free program available for download online). The assessment for term 2 was to create computer games. Students were given certain requirements which they had to meet e.g. enemies, obstacles, scoring system but beyond that were given free rein in creating their game. The final games submitted by the students were of a particularly high standard and Miss Kane had a LOT of fun marking them. Students displayed high levels of creativity and skill in producing their games and should be proud of their results.

Well done Year 12's!!!!!

Any year 10 students interested in creating their own computer games should select ICT for year 11 in 2015!!!!!

By Miss Kane – IT Teacher
YEAR 10 ITD

Students extended their skills in ITD this term, this time in the area of sheet metal production. Students used industrial processes to measure, scribe, cut, bend, form, drill and assemble a metal storage solution. Students enjoyed using industry standard equipment in the form of pan brakes, metal shears, guillotines and riveting equipment to create their projects. Students also enjoyed designing stickers for their projects using CAD software CorelDraw and creating them using a CAM STIKA Vinyl cutter, to add an extra element to their designs. Well done year 10!

PARENTS/CARERS NOTICE
• Parents/Carers please be aware that if your child is absent for any reason you must phone the absentee line on 34423760. If for some reasons you haven’t contacted the absentee line, a SMS message is deployed to the 1st contact person from student’s data - please reply. We attempt to do our very best in communicating with the information we have.
• Many students are using their mobile phones to ring parents to get permission to leave. Unless someone from the office has actually spoken to the parent/carer, then the student will not be signed out.
• Please understand that during class time it is very difficult to get messages through to students. Please keep messages to emergencies only. If you need to drop off lunches, money or cooking etc, office staff will endeavour to locate your child. However sometimes with outside school/classroom activities, this is not always possible.
• If you wish your child to be signed out, please write a note with student’s name, date, time out and parent’s or carer’s signature which is to be handed into the office in the morning so passes can be arranged. Please be aware of school break times.
• Students can be contacted on their mobiles only during the lunch times (listed below).

A reminder that mobile phones must be turned off during class times.

YEAR 10 PREPARATION FOR 2015 - 2016

Our Year 10 students are currently working with the Care/Home room teachers to learn about the importance of their subject choices for Year 11 & 12 and what they need to do to earn a QCE (Queensland Certificate of Education).

The students have had 2 extended lesson sessions to date. In session 1 students asked questions about the QCE for explanations of what it is and how to earn one. The MyFutres website (www.myfuture.edu.au) was used for students to explore careers and jobs for their future.

In session 2 students viewed an informative QCE presentation and complete a worksheet about the QCE and subjects they would need to take to earn a QCE.
Year 10 students will be taken through a CAREERS EXPO during school on the 5 August, and are encouraged to attend that evening in the e-Learning Centre with their parents to get more information provided by teachers, the admin team and students taking the course.

With will culminate with students completing their SET Plan (Senior Education and Training Plan) to choose courses and a pathway to lead into future education, training and careers. Parents please speak to you students about this process.

**2014 EARLY SCHOOL LEAVERS SURVEY**

The Queensland Government is conducting its annual statewide survey of students who left school in Years 10, 11 and prior to completing Year 12 in 2013. The *Early School Leavers* survey is a brief, confidential survey that provides a picture of the employment, study and life choices made by Queensland school leavers in the year after they left school to understand why young people leave school early and to help early school leavers make positive career choices.

Between July and August, our students who left school in Years 10, 11 and prior to completing Year 12 last year can expect to receive instructions to complete a web-based survey or a telephone call from the Queensland Government Statistician’s Office to complete the survey. Please encourage them to take part. If their contact details have changed, please assist the interviewer with their updated details or forward the survey to their new address so they can participate. Thank you for your support of the *Early School Leavers* survey in 2014.

AFL NEWS

Last term was a busy term for both boys and girls AFL.

Two teams of Boys played in a 9 a side competition which was run by AFL Queensland. Many of these boys had never played AFL before and their commitment and behaviour, as well as their ability to learn the skills and rules of the game, was very impressive. The senior team won every game except one and the juniors were very competitive against a mainly senior group of opposition teams.

The boys had a great time and their excellent sportsmanship and behaviour both on and off the field was a pleasure to watch and it was certainly a pleasure to coach them. They were an absolute credit to Beenleigh State High School. Well done boys!

The Beenleigh State High girls AFL team played an exhibition match against Park Ridge High at half time of the boys’ carnival and they were very competitive against a team who is training for the state champs! The girls also played against Helensvale High School in the last week of term and were an absolute pleasure to coach. Great work girls! Helensvale (who are an AFL academy school) were very impressed with our team and want to play us again this term. The carnival was an absolute credit to the students at Beenleigh State High School. Well done to everyone involved!

EMPLOYEE OF THE MONTH AWARDS

Each month staff nominates their colleagues for the Employee of the Month award. This recognises teachers that go above and beyond in the school and community to ensure the best possible outcomes for our students. The winner of the Employee of the Month of June: Mr Cross, congratulations and appreciation for all your hard work.

AURASMA AT BEENLEIGH STATE HIGH SCHOOL

The PBL team have been keen to inform students and parents of the focus for the week or fortnight. Therefore we have decided to use the app Aurasma. Aurasma is easily downloaded on any smart phone/device, once in the app the viewfinder will recognise a trigger image and bring the 2D image to life. The first image to become an ‘Aura’ is our PBL logo. By following the instructions available with this newsletter, you will be able to view a video of Danny Nhong for week 1 and then Braiden Mitchell for week 2, who will explain what the PBL focus for the fortnight is.

POSITIVE BEHAVIOUR FOR LEARNING

(PBL)

The PBL focus for the last fortnight of term 2 was WE ACHIEVE – are resilient and bounce back to coincide with World Refugee Day. At the start of Term 3 our PBL focus has been WE ACHIEVE – learn and are engaged. Let’s start Term 3 fresh and set ourselves new goals in our learning. In Weeks 2 & 3 our PBL focus will be WE ACHIEVE – Be involved in our school community to coincide with our NAIDOC celebrations and the school athletics carnival.

Congratulations to the following students for the end of Term 2 PBL awards. These students’ received a $20 gift voucher. PBL Awards are issued based on a tally system from merit points assigned from teachers throughout the term. Well done guys and keep up the good work.

Congratulations to the following students....

CAREER HUNTER APP

New smartphone app helps young people with jobs and career opportunities

The Career Hunter app, developed from a young person’s perspective, is a simple way for young people and their parents to explore career opportunities.

Believed to be the first career exploration app of its kind, it provides information about occupations and industries, job descriptions, training and qualification requirements, and job vacancies. It makes tangible links from school to the world of work and highlights the industries were skills are most needed.

The Department of Education, Training and Employment; The Smith Family; Regional Development, Australia; Busy at Work and Group Training Australia worked together on the development of the app — now available from the Apple app store.

BEENLEIGH HIGH READING PROGRAM

'The most effective bridge from low levels of reading ability and higher levels is free voluntary reading. Students who read independently at home and at school improve their reading comprehension, vocabulary development, spelling and punctuation competence and writing style'. (Krashen, 1996)

As part of the South East region's promotion of 'silent and sustained reading' in schools, our English Department and the E-Learning Centre are actively implementing a reading program for all of our students. All English classes will begin with 15 minutes of silent reading time wherein students will be able to either read books provided by their teacher or read their own. Students will log all of their reading and teachers will monitor their progress. I encourage parents and care-givers at home to reinforce the reading habit as there is an abundance of research to support the fact that increased reading time equals increased academic results.
