PRINCIPAL'S REPORT
Main Awards is on Wednesday night, 5th of November. It will be a top night where we recognize our high performing students. The P & C are again supporting our students with vouchers for all students receiving an academic award. Thank you to the P & C. The night starts at 6.30pm and I look forward to celebrating the achievements of our students in 2014.

Last Friday we also conducted our annual multi-cultural day. It was an outstanding day and I thoroughly enjoyed the presentations of our amazing students. The multi-cultural day is a highlight on our school calendar. The year 8 students also had a program covering a range of cultures that hopefully broaden their perspective on the multicultural nature of the community we live in. Thank you to the many teachers involved in this program especially Ms Nieuwenberg and Mrs Vidler.

This is an exciting time for the year 12 students; their time at school is fast drawing to a close and they are looking forward to their lives outside of school. It is important that they remain focused and keep up their studies to the end. All seniors need to finalise their accounts before the end of the year so please do so. As always the senior formal will be held at Dreamworld on the 19th of November. The graduation ceremony will be on Friday (21st November) morning at the Beenleigh Entertainment Centre and parents are welcome to attend. Many students drive cars on this day, so please advise your child to be careful. I have been advised there will be a Police presence on the streets that day.

A number of our students competed in the recent QSS Athletics Championships. All of our students performed well and Mr Massey informs me that it was our biggest representation in years. Well done students!

Our annual contribution fee will still be $200 for all students enrolled at Beenleigh SHS in 2015. This has now remained unchanged since 2010.

Our strawberry jam production was a great success. Thank you to Greg and Sue Hammell for the berries and Bill Heck for the sugar. See inside for details.

MR MATT O’HANLON

- Students and Parents can assess and print up their timetable on their OneSchool page

**BEENLEIGH STATE HIGH SCHOOL**

**RESPONSIBLE ELECTRONICA**

**POLICY SUMMARY**

*The Use of Personal Technology Devices at School*

This policy *summary* reflects the importance the school places on students displaying courtesy, consideration and respect for others whenever they are using personal technology devices.

- The school does not accept responsibility or liability for damaged or stolen electronica such as mobile phones and other personal technology devices (e.g. IPods).
- Personal technologies must be turned off and out of sight during assemblies or classes.
- Personal technology should only be used in a classroom for learning under the explicit instruction and direction of a teacher.
- Personal technology devices may be used during morning tea and lunch breaks and before and after school.
- Teachers will remove electronica from students if they are not being used appropriately and they will be returned to students within a reasonable time frame.
- Recording of behaviours or incidents such as fighting, pranks or bullying on personal electronica is not permitted or legal. Recording of such incidences is an invasion of personal privacy and will result in disciplinary action.
- Devices containing evidence of criminal offences may be reported to the police. In the event of this occurring, police may take possession of such devices with students/parents advised to contact Queensland Police Service directly.
- The school takes no responsibility for, and has no jurisdiction over, personal social network content (e.g. Facebook, Twitter). Such matters should be referred to the Network Site itself (e.g. Facebook) or the Queensland Police Service.

FROM JUNIOR SECONDARY DESK

With only one term of school left before the end of the 2014 school year, all of our staff have been busy making the final preparations to welcome Year 7 students into our community next year.

While the addition of Year 7 will be new for us, 20 state schools were selected to make a head start on the transition and began welcoming Year 7 students to high school from 2012.

The schools in the Year 7 pilot program have generously shared their learning and insights in an effort to help all schools make a smooth and seamless transition of Year 7 students in 2015. Following a review of the pilot schools, which involved interviews with school principals, teachers, parents and students, four key insights emerged: focus on transition, invest in your people, understand the adolescent learner, and seek regular feedback.

The Junior Secondary years are vital for the educational development of students. These key years are the fundamental building blocks for lifelong learning and improved outcomes. The Junior Secondary Agenda at Beenleigh State High School aims to increase the capacity in pupils and develop positive and enriching learning experiences tailored to develop and engage our clients.

We’ll now incorporate these insights into our approach to our transition, our staff recruitment, the way we engage our adolescent learners in Years 7 to 9 and the way we seek and respond to feedback within our community.
You can find out more about the pilot insights and our intended approach on our school website or by contacting the school to organise a special Principal Tour appointment.

**Dates to Remember:**

**Enrolment Evening – Tuesday 11th November**

**Orientation Day – Thursday 4th December**

By Mr Howe – Deputy Principal

---

**MUSIC NEWS**

*Bands Perform at Beenleigh and Mt Warren Park Primary*

At the end of last term, our Symphonic Band and Jazz Band headed over to some of our local primary schools to showcase to some younger up and coming musicians. At Beenleigh Primary, both our high school musicians and Primary school musicians put on a combined performance for the whole school. This was a fantastic opportunity for the younger students to be part of such a large band made up of about 50 students!

**CLICK HERE FOR SLIDESHOW FOR MORE PHOTOS**
Congratulations Bianca! Griffith University State Honours Ensemble Program 2014

In the last four days of the school holidays, Bianca Armstrong in Year 12 participated in the Griffith University State Honours Ensemble Program (SHEP) at the Qld Conservatorium of Music. Bianca was involved in 3 days of intense rehearsals before performing in a showcase concert in the conservatorium theatre, and was able to work alongside professional musicians and conductors. Congratulations Bianca on this achievement!

Congratulations Scott! Logan Youth Music Exchange China Tour

In the September holidays, Scott McLeish in Year 9 toured China with the LYME (Logan Youth Music Exchange) program.

BEENLEIGH'S GOT TALENT

Throughout Term 3, auditions were held for our annual ‘Beenleigh’s Got Talent’ competition. We had some fantastic performances out in the Piazza Friday’s at first break. From the auditions, 10 acts were selected to perform in the final which was held in the last week of Term 3. Students had to perform on stage for the entire school as well as a panel of judges, made up of the wonderful Ms Wonnacott-Wakeham, Mr Mato, Mr Farmer and Brooke Longham. All of our finalists performed extremely well, considering for some it was their first time in front of an audience this large! Congratulations to Alexander Shoesmith, who was awarded Runner Up and received a $50 voucher and a trophy, and Courtney Taylor, who blew us all away with her rendition of ‘I Ain’t Got You’, taking home the first prize trophy, plus a $100 gift voucher! All of the other performers in the top 10 received a $25 gift voucher, and we hope to see them all back next year to contest for the winning spot! Congratulations to the Top 10 Finalists of 2014!

In a class where the minority are girls, there arises an opportunity to develop the leadership skills of girls. These girls have earned the support and respect of their male peers, by willing to share their knowledge and computer skills whenever needed.

High expectations mean high results? These results turn into employment, University and TAFE opportunities which is the successful outcome of high school.

Employers often say how they need young people who work well in a team, who turn up on time and who attend every day and are willing to work well with others. This is our business model and the expectations of Beenleigh State High School

The year 9 ICT class have now completed their investigation of the G20 and associated summits such as the B20 (Business), (L20) Labour, (F20) Finance, (T20) Think Tank and (Y20) Youth. This was a great opportunity for students to look into politics and its impact on Business, IT and the economy.

The Business/IT students are leading the way in analysing Business and employment locally and globally with the support of our current University Student Teacher, Ms Chio, whom brings the world into the classroom each lesson.

There are so many opportunities for our students to travel, study, work abroad and build financial wealth, all of which is embedded in their learning experiences in the classroom.

*We are proud of the efforts of our Business, IT, Accounting and BCT students.*
The local, national and international Business Communities/organisations will benefit from their contributions.

By Mrs Cheal – Business Teacher
YEAR 10 MEDIA STUDIES

Recently Beenleigh State High school participated in the Queensland Education Accord student video competition. As a result we had 25 students share their views on education and where they would like to see it in the next 30 years. The Year 10 Media Studies class were responsible for collecting the footage and Mr Middleton did a great job at editing it together.

After submitting the video we were pleased to be contacted by the Education Accord team who informed us that they were so pleased with our efforts that it was selected to be played at the Queensland Education Accord Summit.

Education stakeholders and community representatives attended the Queensland Education Accord Summit to map out the future of education and create Queensland’s first Education Accord.

To thank us for our input, John-Paul Langbroek the Minister for Education, Training and Employment, sent us an voucher for Officeworks and after some consultation with Mr Middleton and Mr O’Hanlon we have spent the voucher on a stationery pack for the students who were involved, and willing to share excellent feedback and provide insightful opinions of what school should be like in 30 years' time.

Mrs Kelly Wonnacott-Wakeham – Head of Curriculum Teacher Instruction
STRAWBERRY JAM SELLS OUT!

The year 11 Kitchen Operations learnt the production process of making jam, from selecting and picking the fruit, to sealing the jars and labelling. Beenleigh SHS has a strong community relationship with the Hammel Family strawberry farm and were lucky enough to be donated 50 kg of fresh strawberries. We were also donated two sacks of unprocessed sugar from Mr Bill Heck. Students went to the farm to pick the strawberries from the plants and on return individually cooked a batch of jam each. Miss Davis’s classes assisted in the preparation of the strawberries which was much appreciated.

A total of 110 jam jars were prepared, with home-made personal labelling. These were sold to parents, staff and the community for $4, which sold out extremely fast! The P & C president Mr Greg Hammel was delivered several jars and a taste test was held to critique the quality including colour, taste and consistency. Each student that was involved in the process also took home a jar to share with their families. This event will become an annual tradition with the date for picking already locked in the calendar ready to teach another year of students to the tradition of jam making!

CLICK HERE FOR SLIDESHOW OF THE JAM PRODUCTION

By Miss Jolly – HOD of IT/Business/Industrial Tech & Home Economics
Year 11 Technology Studies students let their creativity shine again in their last practical project task. The task was to re-use, re-purpose, up-cycle or recycle an object or product and turn it into something new (based on a design situation).

**Kyle Shadwell** - created a “Gaming” chair, influenced by car racing

**Jackson Grice** - Used old packing pallets to create a storage unit.

**Zeke Whitfield** - Created an LED lamp, compiled from old vinyl
console games. He used an old truck seat and converted it into a modern looking racing chair.

Recycling packing pallets is a major trend in the design industry right now and his project reflected this.

records, incorporating a LED bulb. His target audience was a retirement village which was reflected well by the age of the records. Well done to these students thinking outside the square!

By Mr McDonough – Subject Coordinator- Industrial Technology and Design

MAJOR TRAINING GROUP

School Holidays Training at Major Group

Get a Certificate in Business Administration and a First Aid ticket all for $95

Students will love it and their parents can do it too (conditions apply)

We will start training on the 5th of January 2015,

Enrolments close on the 15th of December 2014

Contact -1300 790 822 or Anne Leddin annel@major.com.au

EMAIL ADDRESSES

Communication between parents/caregivers and staff is very important to all members of staff at the Beenleigh High School. We are asking parents/caregivers to provide their email address to the school via the school email address: info@beenleighs.eq.edu.au Teachers want to use this form of communication also for sending student assessment and progress throughout the year. The school newsletter is also sent via email on a fortnightly basis. In using email we are all also helping our environment with less paper being used in printing of the school newsletter.

ATTENDANCE & LATENESS NOTICES
Please read the flyer attached re attendance and lateness, this is very useful, important information for parents/carers and your student.

**CLICK HERE FOR THE PDF FLYER**

## UNIFORM INFORMATION

*WE CARE* about our student’s uniform at Beenleigh SHS. If your child is out of uniform, please your child to school with a note. If they are out of uniform without a note:

1. Their care teacher will address them and give them 3 chances in the term.
2. After 3 times out of uniform, the school will contact home.
3. Each time the student is out of uniform following this, the student will be sent to the Engagement Office and issued with a school uniform on loan. This uniform must be returned within a week or you will be invoiced for cost.

If you have any questions, please call the school to discuss. Thanks for your support.

*By Mr Ricketts – Head of Engagement*

---

## PARENTS/CARERS NOTICE

- Parents/Carers please be aware that if your child is absent for any reason you must phone the absentee line on 34423760. If for some reasons you haven’t contacted the absentee line, a SMS message is
deployed to the 1st contact person from student’s data - please reply. We attempt to do our very best in communicating with the information we have.

- Many students are using their mobile phones to ring parents to get permission to leave. Unless someone from the office has actually spoken to the parent/carer, then the student will not be signed out.
- Please understand that during class time it is very difficult to get messages through to students. Please keep messages to emergencies only. If you need to drop off lunches, money or cooking etc, office staff will endeavour to locate your child. However sometimes with outside school/classroom activities, this is not always possible.
- If you wish your child to be signed out, please write a note with student’s name, date, time out and parent’s or carer’s signature which is to be handed into the office in the morning so passes can be arranged. Please be aware of school break times.
- Students can be contacted on their mobiles only during the lunch times (listed below).

A reminder that mobile phones must be turned off during class times.

NEW CHAPLAIN STORY

My name is Krista Kelly. I have recently taken the role as Beenleigh State High School Chaplain. This is my first time as a Chaplain, but I am blessed to have Chaplain Frank Barnes as my guide and mentor. The word ‘Chaplain’ comes from the work ‘Capella’ which means cloak. A Chaplain is pastoral care, along with ethical, spiritual and personal support to all students, teachers and staff.

Thank you for welcoming me to your school, I look forward to getting to know everyone. Please feel free to contact me on 3442 3718, if you have any concerns.

By Krista Kelly – School Chaplain
SEVEN TRAITS OF MENTAL TOUGHNESS

In different contexts, one character trait has emerged as a predictor for success. It isn’t social intelligence, good looks, IQ, or physical health. It is “grit,” which the dictionary defines as “mental toughness”. It could be defined as resilience or the ability to “bounce back” after setbacks.

Mental toughness is the “perseverance and passion to achieve long-term goals; having stamina; sticking with your future day in and day out and working hard to make that future a reality; a marathon not a sprint.”

Studies have shown that there is a correlation between mental toughness and self-control. It takes mental toughness and self-discipline to raise kids—they have constant needs. It is difficult to deal with tantrums/ ensure homework is done/ provide healthy food choices (when even you would prefer chocolate bar over an apple)/ monitor TV, computer time/ up and out in the morning (when you would prefer to be sleeping)…… and on it goes.

Seven traits of mentally tough people

1. Look for positives & learn from mistakes
2. Face fears
3. Non-judgmental
4. Celebrate successes of others

5. Realise that the only person they can control is themself & do not blame others for their mistakes

6. Limit exposure to outside stimuli (e.g. Facebook, Angry Birds, Krispy Kreme donuts)

7. Accept and embrace change

Mentally tough people embrace change, but they understand that change must first happen in them before it happens through them. Mahatma Gandhi said it so well. “You must be the change you wish to see in the world.”

Happy Parenting! By Miss Armitage - Guidance and Adapted from Generationnext.com.au

AURASMA AT BEENLEIGH STATE HIGH SCHOOL

The PBL team have been keen to inform students and parents of the focus for the week or fortnight. Therefore we have decided to use the app Aurasma. Aurasma is easily downloaded on any smart phone/device, once in the app the viewfinder will recognise a trigger image and bring the 2D image to life. The first image to become and ‘Aura’ is our PBL logo. By following the instructions available with this newsletter, you will be able to view a video of Kyra Brook, who will explain what the PBL focus for the fortnight is.

CLICK HERE FOR THE PDF INSTRUCTIONS OF AURASMA

By Mrs Wonnacott-Wakeham Head of Curriculum Teacher Instructions

---

PARENTS HAVE MUCH FARTHER REACHING EFFECTS THAN THEY KNOW
We were pretty good at keeping computers and televisions out of bedrooms, but as technology developed we somehow missed that phones and tablets ARE computers. Parents may sometimes feel out of control. The majority of families own a collection of iPads, iPods, other tablets, an Xbox, a Wii, a DS, iPhones and more…

Most parents wonder if their limit setting is actually worth it as they regularly have to remind children of the boundaries with technology.

**Be encouraged, it IS worth it.**

A study with over 1,300 families in the US indicated some powerful benefits for children when parents set healthy limits on entertainment screen time (TV and video games) and limits of the type of content viewed.

Some effects are seen more immediately and others over time.

(Please keep in mind that ‘limiting’ does not mean banning all technology or taking everything away – it indicates a healthy balance and an inclusion of many other activities, such as sport, drama, kicking a ball, going shopping, chatting over dinner…)

**Two Immediate effects of placing limits on media (which seem obvious but are great to see):**

- Those children spent less time on TV and video games
- Those children saw less violent media content

However, it is the long-term effects that surprised the researchers the most. Children whose parents set more limits on the amount of time spent with media 7 months before:

1. were now getting more sleep
2. were getting better grades in school
3. had an indirectly positive change in Body Mass (as children were simply moving around more)

Additionally, parents limiting children’s content exposure (to violent media) 7 months before resulted in:
1. increased prosodical behaviour – exhibiting more helpful and cooperative pro-social behaviours at school

2. less aggressive behaviour toward their peers

Adapted from GenerationNext.com.au

BEENLEIGH SHS APP FOR PHONE/MOBILE

Be involved in our school community, keep yourself in touch and this provides you all the information from the website. You can save school calendar dates to your personal mobile, access newsletters, news pages, twitter, class times, forms and documents and annual reports.

You can download our Beenleigh SHS app to your phone/ mobile device? (In less than 1 minute)

1. Download QSchools from the app store
2. Open the app
3. Search Beenleigh SHS

Click the star to add Beenleigh SHS to your favourites

POSITIVE BEHAVIOUR FOR LEARNING (PBL)

Our PBL focus this fortnight has been **WE CARE– Accept difference.** We wanted our students to be thinking about this very important aspect of promoting harmony in our community leading up to our annual multicultural day where we celebrate our many cultural backgrounds.
Our last PBL focus for the next fortnight will be **WE ARE RESPONSIBLE** – respect the classroom environment and other people’s property. Congratulations to the following students. Keep up the great work

**CAREER HUNTER APP**

New smartphone app helps young people with jobs and career opportunities

The Career Hunter app, developed from a young person's perspective, is a simple way for young people and their parents to explore career opportunities.

Believed to be the first career exploration app of its kind, it provides information about occupations and industries, job descriptions, training and qualification requirements, and job vacancies. It makes tangible links from school to the world of work and highlights the industries where skills are most needed.

The Department of Education, Training and Employment; The Smith Family; Regional Development, Australia; Busy at Work and Group Training Australia worked together on the development of the app — now available from the Apple app store.
